

A letter from Him

Have you ever felt desperate need of talking to God? or even God's talking to you ?

Have you ever felt so thirsty of hearing that God loves you and care about you?

Sometimes it happens to us all.

Reciting Quran is the very thing that could answer to this inborn need.

A letter from Him is a compilation of some verses of holy Quran gathered from different surahs to remind us how God cares about us and how forgetful we are ...the wording of these verses are not the exact wording of Quran. It tried to simplify the wording (but no change happened in terms of meaning of the verses) to help readers comprehend them better.
